

## What's at Risk for Manufacturers?

Manufacturing data, interconnected systems, and supply chains, can all put manufacturers and their products at risk.

**Roy Luebkey with Genedge Alliance** will be sharing industry best practices and leading a regional discussion on critical issues.

New River/Mount Rogers

**Free Workshop**

**Tuesday January 24**

**9AM to 12:30PM**

**Wytheville Meeting Center**

333 Community Blvd, Wytheville, VA 24382

**[Register Here](#)**
